

DECLARATION AND POWER OF ATTORNEY-CONTINUATION-IN-PART

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name; that I verily believe I am the original, first inventor of the invention entitled; **SQUEEGEE AND BRUSH HOLDER** described and claimed in the attached specification: that the invention is a Continuation-In-Part of Application Serial No. 60/460,978, Filed April 4, 2003, and that I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof, or more than one year prior to this application; I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year prior to this application; that I have reviewed and understand the contents of the above identified specification, including the claims; that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application; the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application more than six months prior to this application; and that no applications for patents or inventor's certificates on this design have been filed in any country foreign to the United States of America prior to this applicaiton by me or my legal representatives or assigns.

I hereby appoint Frank A. Lukasik, 1250 West Marion Avenue,

Apartment #142, Punta Gorda, FL 33950, telephone No.
(941) 637-1970, Patent and Trademark Office Registration
Number 22,440, to prosecute this application and to transact
all business in the patent and Trademark Office connected
therewith. Address all correspondence to the above named
attorney.

I hereby declare that all statements made herein of my
own knowledge are true and that all statements made on
information and belief are believed to be true; and further
that these statements were made with the knowledge that willful
false statements and the like so made are punishable by fine
or imprisonment, or both, under Section 1001 of Title 18 of
the United States Code and that such willful false statements
may jeopardize the validity of the application or any patent
issued thereon.
